

Warwick Valley Chorale
P.O. Box 1309
Warwick NY 10990

September, 2013

Dear Members:

Welcome and thank you for joining the Warwick Valley Chorale for its 73rd season.

Below is some important information for you to be aware of:

*Rehearsals are every Tuesday evening until the scheduled concerts. There may be additional rehearsals needed which our Conductor Stanley will determine and let us know.

*Rehearsal begins promptly at 7:30 pm. We ask that you be here by 7:15 pm so we can begin on time. Dennis English is here most weeks to lead us in a warm up at that time as well.

*No food or beverages are allow at rehearsals, however, water is ok. Remember to take your empty water bottles, etc. with you when you leave.

*Please be sure to have a pencil with you at all times to make notes or changes, etc. in your music. The music is not yours to keep. It is the property of the Warwick Valley Chorale. Never use a highlighter or pen on the music.

*Please park in designated parking spots only. There are a few corners in the lot may look like parking spots but are not. Cars cannot always get through and cars have been damaged in the past.

*Practice CDs will be provided, be sure to listen to them whenever time permits.

*Please try to be at every rehearsal if possible. Check the website and my voice mail (845-341-8285) for cancellations due to weather.

*Concert times, dates, and places are as follows:

Friday, December 6, 2013, 7:30 pm Grace Episcopal Church, 58 North Street, Middletown NY 10940

Sunday, December 8, 2013, 4:00 pm Warwick Reformed Church, 16 Maple Avenue, Warwick NY 10990

Friday, December 13, 2013, 7:30 pm Goshen United Methodist Church, 115 Main Street, Goshen NY 10924

Please mark your calendars in advance so ALL can participate in ALL of our concerts. This makes a big difference in the Chorale's sound.

Please consider volunteering for one or more of the many activities going on throughout this session; standby for future announcements. I look forward to sharing a wonderful experience of beautiful music, talented teachers, harmonious voices, long time friendships, and a wish for successful Holiday Concerts.

Thanks

Susan Boersema
